

WELCOME TO THE 128TH SARANAC LAKE
WINTER CARNIVAL!

The Saranac Lake winter Carnival is the oldest annual winter carnival in the eastern United States that began in 1897.

Over the years carnival has developed into a true homecoming for Saranac Lakers and visitors who take part in the multitude of events staged by the Winter Carnival Committee.

Carnival has always attracted thousands of visitors and you may experience difficulty in finding parking, especially at the ice palace and parade day.

Whenever possible, please plan to walk to events.

Please be advised that Adirondack weather can change drastically in a short amount of time. Dress warmly, in layers and be ready for anything...Carnival weather has been known to be 40 below to 60 above, rain storms, blizzards and everything between so please plan accordingly!

THE WINTER CARNIVAL COMMITTEE

WISHES YOU A FUN AND HAPPY CARNIVAL!
